FEATURED ALUMNI GUESTS

WILSON COSTA

Graphic Artist at NFL Films

Wilson has collaborated on several shows including: Turning Point, A Football Life, Hard Knocks, and Matchup. At NFL Films, Wilson is responsible for producing high quality Alpha Mattes for Compositing by Rooting out players, as well as updating several team logos such as Baltimore Ravens, and the Tampa Bay Buccaneers. Additionally, Wilson has produced several 3D models of football gear such as helmets, pads, and gloves.

DEVON DEVLIN

Head of Operations - Shows & Editorial at Spotify

Devon began her career as a music editor at Swedish start up Tunigo which was acquired by Spotify in 2013. Over the years, she has lead Operations for Spotify's editorial curation and programming team of 100+ editors around the world who curate and program the perfect playlists for every mood, moment, and genre. She works to build Spotify's editorial roadmaps and provides operational planning support.

FERNANDO DELGADO

Owner of Stickman Sound/Full Sail Hall of Fame Inductee

As the owner of Stickman Sound, Fernando works in production genres such as live sports/entertainment, reality television, motion pictures and commercials. His audio work can be found on projects including a VR experience with multi-platinum rock band Coldplay, FOX Sports' coverage of the Mayweather vs. McGregor fight, TV show Top Gear, and so much more. He is also an Emmy recipient for his work with HBO's *Boxing*.

RAFAEL FERNANDEZ

Studio Artist at the McFarlane Toy Company

Rafael is currently working for the McFarlane Toy Company as a Studio Artist. McFarlane Toys works with many of the top entertainment properties in the industry and has the official rights to NFL and the NBA. Marquee toy lines include: Destiny, Stranger Things, Five Nights at Freddy's, AMC's The Walking Dead, and more.

AARON FORD

Director, Digital Advertising at The Orchard

Aaron specializes in interactive marketing, advertising, business development, and designing creative promotions that put relevant products and services on the front lines of cultural trends. With ten years of experience and various marketing and tech positions at Sony Music, Groovespark, Marketing Arm/USMP, and Houghton Mifflin Harcourt; Aaron brings a versatile perspective to any discussion.

JEFF HINTON

Sound Designer, Sound Editor and Mixer

Jeff is a New York City based sound editor, re-recording mixer and ADR mixer working on television, film, and commercial projects. He has mixed films and TV shows for The History Channel, A&E, Discovery, SyFy, MTV, VH1, and many others. Additionally, his work can be heard in commercials for Nike, Pepsi, Dodge Ram, Mercedes Benz, Heineken, ESPN, Verizon, and more. You can view some of his work at: www.jeffhinton.tv

LARRY HITCH

Senior Software Engineer at HBO

Graduating from Full Sail with a Recording Arts degree, Larry moved to New York and worked for a few major recording studios and labels. After a few years, he returned to Full Sail to earn his Game Development degree. Larry landed a job working for HBO as a Senior Software Engineer.

JOE LAMBERT

Owner/Chief Engineer at Joe Lambert Mastering

Joe opened Joe Lambert Mastering in 2008 in DUMBO Brooklyn and solidified his place as one of the most sought after mastering engineers in New York. Now in Jersey City he continues to add to his worldwide client base, working with a wide variety of record labels, producers and artists including Lindsey Sterling, The Black Crowes, Steve Gunn, Alice Cooper, The B-52's, Amber, Stephen Lynch, Moby, and many more.

RICHARD PHILLIS

Associate Recorded Sound Designer at Blue Man Group

Rich is a New York based Sound Designer. He is currently the Associate Recorded Sound Designer at Blue Man Group where he has had the opportunity to help create some of their most exciting new shows and travels all over the world, spreading the Blue Man Group experience to new audiences.
